

IMPORTANT NOTICE

For years, it has been ASH's mission to serve a community of members who share certain core values and a commitment to help each other live fulfilling, healthy lives and reduce the burden of health care costs. Unfortunately, due to falling membership levels and other factors, ASH has concluded that it cannot pursue its mission long term. ASH is filing for dissolution, and will not be offering any sharing programs after January 31, 2023.

Rest assured that your membership in ASH can remain intact through January 2023 and your needs will be shared according to the guidelines for your sharing level.

- **ASH will share eligible expenses for services performed through January 31, 2023.**
- **All medical bills must be submitted by April 30, 2023 to be eligible for sharing. Medical bills submitted after April 30, 2023 will not be accepted.**
- **ASH's billing agents will not collect any monthly contributions after January 1, 2023.**
